INFORMATION DISCLOSURE STATEMENT

Commissioner for Patents
PO Box 1450
Alexandria, VA 22313-1450

Sir:

In compliance with the duty of disclosure under 37 CFR §§ 1.56 and 1.97, attached hereto is a copy of the Form PTO/SB/08A. The copies¹ of the

¹ Copies of the cited references were submitted in grand parent application Serial No. 09/593,409 (now issued patent no. US 6,495,734 B1) and are not submitted here pursuant to 37 CFR §1.98.

documents listed thereon, have been made of record in grand parent application Serial No. 09/593,409 filed June 14, 2000 (now patent no. US 6,495,734 B1 issued December 17, 2002). These documents contain information which the Examiner may consider to be important in deciding whether to allow the present application to issue as a patent.

In accordance with MPEP Sections 609 and 707.05(b) it is requested that each document cited (including any cited in applicants' specification which is not repeated on the attached Form PTO/SB/08A) be given thorough consideration and that it be cited of record in the prosecution history of the present application by initialing on Form PTO/SB/08A, so that it will appear on the face of the patent issuing on the present application, even if the Examiner does not consider it sufficiently pertinent to use in a rejection, or otherwise does not consider it to be prior art for any reason, or even if the Examiner does not believe that the guidelines for citation have been fully complied with.

This submission is filed before a first action on the merits has been mailed.

The present Disclosure Statement is also being submitted in compliance with 37 CFR § 1.56 as an Examiner might consider any cited document important in deciding whether to allow the application to issue as a patent, but the citation of each document is not to be construed as an admission that such document is neces-

sarily relevant or prior art. No representation is intended that the cited documents represent the results of a complete search, and it is anticipated that the Examiner in the normal course of examination, will make an independent search and will determine the best prior art consistent with 37 CFR §§ 1.104(a) and 1.106(b), and in the course of such search will review for relevance every document cited on the attached form even if not initialed.

It is believed that no fee is due. However, if the Commissioner determines that a fee is due, the Commissioner is hereby authorized to charge Deposit Account No. 04-0100 for any deficiency.

The Examiner is requested to consider the references referred hereto and initial the enclosed form PTO/SB/08A where indicated.

Early and favorable consideration is earnestly solicited.

Respectfully submitted,

Dated: September 24, 2003
